

# CWD Management Zone: Carcass Transportation & Wildlife Feeding Regulations

## Carcass Transportation Restrictions

Only approved parts may be moved out of the CWD Management Zone.

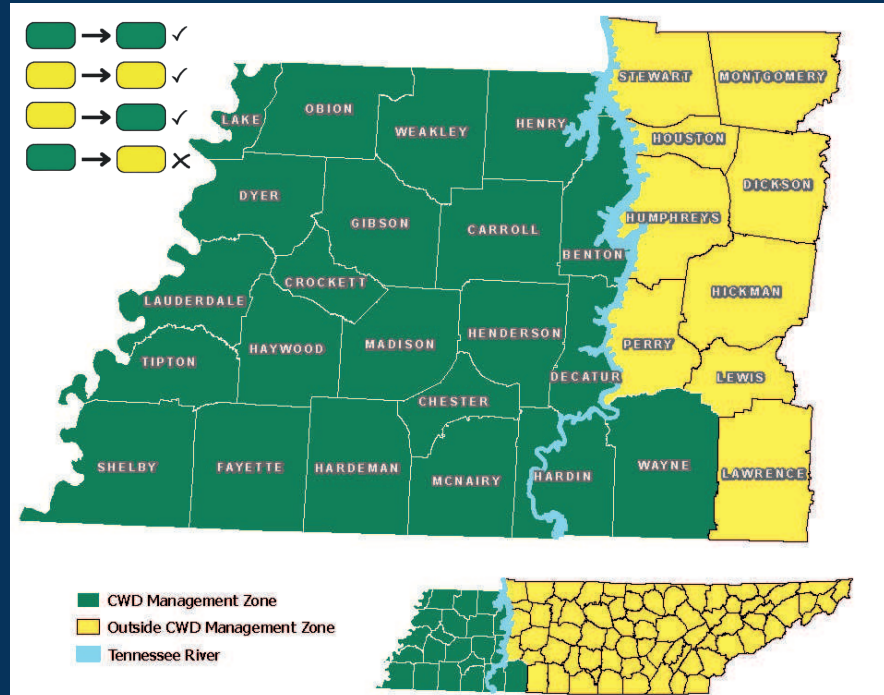

- Deer carcasses can move within and between counties in the CWD Management Zone.
- Once a carcass is brought into the CWD Management Zone, it cannot be moved out of the zone.
- Approved parts are free to be transported anywhere statewide.

## APPROVED PARTS

- Deboned meat
- Antlers, antlers attached to cleaned skull plates, cleaned skulls (where no meat or tissues are attached to the skull)
- Cleaned teeth
- Finished taxidermy and antler products
- Hides and tanned products

## EXAMPLES OF UNAPPROVED PARTS

- Whole and field-dressed carcasses
- Organs
- Guts
- Uncleaned (meat and/or tissue are present) heads/skulls/skull caps
- Non-muscular tissue

## Wildlife Feeding Restrictions

Within the CWD Management Zone the placement of grain, salt products, minerals, and other consumable natural and manufactured products is prohibited. Feeding restrictions do not apply if the feed or minerals are:

- Placed within one hundred (100) feet of any residence or occupied building; or
- Placed in such a manner to reasonably exclude access by deer; or
- Placed as part of a wild hog management effort authorized by the agency; or
- Present from normal agricultural practices, normal forest management practices, or crop and wildlife food production practices.
